

BGHC 2022/23 HIGH PERFORMANCE COACHING TEAM

The BGHC is committed to the development and future of all our athletes. Our HP Coaching Team is built around key athletic leaders who will work with our athletes to enhance their skills and develop their game in the high performance arena.

JR. BARRACUDAS

KEVIN GRECO

Kevin has more than 25 years of experience coaching boys and girls' hockey, including 10+ years with the BGHC where he has lead his teams to a LLFHL Championship, three Provincial Championships, a Provincial Bronze medal and numerous Showcase Tournament Championships. He has earned his Masters in Sports Administration and High Performance 1 Certification and demonstrates exemplary vision, leadership, care, knowledge, and technical expertise that will benefit our Intermediate AA team.

Kevin draws on his vast playing experience and the knowledge of his mentors to teach and develop the fine details of the individual skills and tactics that elevate player success.

A well-respected coach and incredible BGHC brand ambassador, Kevin encourages a growth mindset and creates the optimal conditions for all athletes to be successful within an environment that provides athletes the skills, knowledge, and mental aptitude to excel in competitive sports. Committed to the development of the high-performance vision for the BGHC, Kevin is looking forward to continuing to build a progressive environment for our BGHC players to excel as athletes and reach their future goals and aspirations. Through their Strategic Player Advancement Program, Kevin and his staff are relentless in supporting athletes in reaching their goals of playing at the NCAA and USport levels and pursuing opportunities with Team Ontario and Team Canada Hockey programs.

U18AA DANA WEISTRA

Returning for the forthyear as the U18 AA coach, Dana has more than 20 years' experience coaching boys and girls hockey, including 12 years with the BGHC as an assistant coach and head coach for Midget AA and Pee wee AA & A teams.

A hard-working coach and strong role-model for young athletes, Dana has guided teams to first place finishes, gold medal tournament wins, and playoff championships. She brings a positive philosophy with principles that guide her coaching methodology with a commitment to create a balance between skill and game strategy development with her players. A proud hockey parent to her full grown son and daughter, Dana's 50 years as a player, coach and hockey enthusiast demonstrates her commitment to Canada's favourite sport.
