

COVID-19 WINTER/SPRING FEES AND REFUND POLICY

REGISTRATION FEES

Due to the uncertainty pertaining to provincial and municipal Covid-19 restriction changes, the BGHC is **only accepting credit card payments for all registrations**. Payments will be made through the RAMP registration system.

Payment timing:

- House League – Upon Registration
- Representative – Upon Registration

FUND POLICY

The refund policy below will take precedent over the refund policy for regular season play.

There will be no refunds once registered for Winter/Spring hockey. In the event Winter/Spring Hockey ends prematurely, the Board of Directors will evaluate and approve refunds for both House League and Representative if deemed appropriate. Costs incurred by the organization up to the cancelation of Return to Hockey will be taken into consideration when determining refund amounts.
